

Identity**Trade Name:****Generic Name:** Butcherblock Oil**Section I****Manufacturer's Name:** H.F. Staples & Co., Inc.**Emergency Telephone Number:** (603) 889-8600**Address:** P.O. Box 956
Merrimack, NH 354**Telephone # for Information:** 1-800-682-0034**Date Prepared:** 3/23/01**Signature of Preparer (optional):****Section II - Hazard Ingredients/Identity Information****Other Hazardous Components (Specific Limits, Chemical Identity (CAS No); Common Names, OSHA PEL ACGIH TLV Recommended % Optional)**

NO HAZARDOUS MATERIALS

Section III - Physical/Chemical Characteristics**Boiling Point:** 315°C**Vapor Pressure (mm Hg.):** negligible**Vapor Density (AIR = 1):****Solubility in Water:** Insoluble in Water**Specific Gravity (H2O=1):** 0.86-0.87@ 15°C**Melting Point:** n/a**Evaporation Rate (Butyl Acetate = 1):****Appearance & Odor:** Viscous clear liquid - no odor**Section IV - Fire & Explosion Hazard Data****Flash Point (method used):** >180°C Cleveland Open Cup**Flammable Limits LEL:****UEL:****Extinguishing Media:****Special Fire Fighting Procedures:**Small fire use dry chemicals or CO2
Large fire use water spray, fog or foam**Unusual Fire & Explosion Hazards:**

Low fire hazard. Avoid contact with strong oxidizing agents

Section V - Reactivity Data**Stability:** Stable**Conditions to Avoid:****Incompatibility (Materials to Avoid):** can react with strong organic oxidizing agents**Hazardous Decomposition/Byproducts:** CO, CO2, smoke, irritating fumes when heated to decomposition**Hazardous Polymerization?** Will not occur under normal working conditions**Section VI - Health Hazard Data****Route(s) of Entry (inhalation/skin/ingestion?):** non irritating to eyes and to skin**Health Hazards (Acute & Chronic):** relatively non-toxic via ingestion.**Carcinogenicity: NTP?:****IARC Monographs?:****OSHA Regulated?:****Signs & Symptoms of Overexposure:****Medical Conditions Generally Aggravated by Exposure:****Emergency & First Aid Procedures:**

For eyes, flush immediately with water for 15 minutes. If irritation persists, contact a physician.

Williamsville Products

In the case of ingestion DO NOT induce vomiting. Has a laxative effect - rapidly eliminated. Physician assessment advised. Note to Physician : Prevent further absorption by administering charcoal slurry, aqueous or mixed with saffine calthartic or sorbitol. Consult appropriate FDA source for recommended dosage.

Section VII - Precautions for Safe Handling & Use**Steps to Be Taken in Case Material is Released or Spilled:**

Eliminate all ignition sources. Avoid contact. Contain spill. Absorb with inert absorbants such as dry chemical or diatomaceous earth.

Waste Disposal Method:

Do not flush to sewers, streams or bodies of water. Check with applicable jurisdiction for specific disposal requirements.

Precautions to be Taken in Handling & Storing:

Keep away from sources of ignition. Do not reuse empty containers without commercial cleaning or reconditioning. Store in tightly closed containers in cool, dry, isolated, well ventilated areas and away from oxidizing agents.

Other Precautions:**Section VIII - Control Measures**

Respiratory Protection (specify type): No special respiratory protection is normally required.

Ventilation:

Local Exhaust: special ventilation is not necessary

Mechanical (general): na/

Special/Other: n/a

Protective Gloves: PVC gloves are suitable

Eye Protection: Chemical splash goggles in case of splashing

Other Protective Clothing or Equipment: wear long sleeve clothing to minimize skin contact

Work/Hygenic Practices: n/a

Section IX - Shipping Data

Not regulated

Section X - Storage Data

Keep away from sources of ignition. Do not reuse empty containers without commercial cleaning or reconditioning. Store in tightly closed containers in cool, dry, isolated, well ventilated areas and away from oxidizing agents.
